TASTING NOTES

2023 Singlefile Single Vineyard Frankland River Shiraz *Riversdale Vineyard Frankland River, Great Southern*

VINEYARD & WINEMAKING

Frankland River is arguably the premier shiraz growing sub-region of Western Australia and is recognised for its distinctive black fruit and black pepper characters. Shiraz from the Riversdale vineyard, planted in 1997 and one of the few north-facing sites, delivers the quintessential characteristics expected of fine Frankland River shiraz fruit.

The winter months saw above average rainfall with spring being reasonably dry. Summer was mild and dry with good, even temperatures. This provided excellent growing conditions which resulted in exceptional quality juicy, and a fresh and vibrant shiraz.

After picking and sorting, fermentation took place in closed fermenters, and maceration was gentle lasting fifteen days with minimal pump-over interventions. The wine was then aged in medium toast French oak barriques for eleven months. Post bottling, this wine was aged further to allow to settle, integrate and develop prior to release.

THE WINE

This wine displays vibrant blackberries, currants, and subtle spicy aromas. The palate displays flavours of dark fruits, spice and savouriness which persist through to a long, dry finish. It is a medium bodied, cool climate style shiraz of both power and complexity, with silky tannins and a refined delicacy. A shiraz to be enjoyed with fine food and friends.

94 points, Wine Showcase, March 2024

TECHNICAL SPECIFICATIONS

Alc: 14.1% pH: 3.52 TA: 4.7 g/L Cellaring: Up to 25 years
