TASTING NOTES

2020 Singlefile Single Vineyard Pemberton Fumé Blanc *Lefroy Brook Vineyard Pemberton, Western Australia*

VINEYARD & WINEMAKING

This wine is a sophisticated expression of sauvignon blanc made in the traditional Bordeaux style of the Pessac-Léognan / Graves sub-regions. The fruit is from the Lefroy Brook vineyard in Pemberton, planted in 2000. It has a north facing aspect and karri loam soils. The fruit was picked in February 2020, it was crushed, settled and inoculated with a select yeast strain in tank to ensure the fruit purity was maintained. At that point approximately 20% was transferred to oak (100% new Bordeaux barriques) with the remaining 80% completing fermentation in a stainless steel tank for four months on lees. This is done to balance fruit purity with the trademark spice, texture and softness of a barrel fermented sauvignon blanc. Fumé Blanc was a name first used in the late nineteen sixties in Napa Valley, California, by vintner Robert Mondavi to denote a style of sauvignon blanc which had received oak treatment. The name is now widely used for oaked sauvignon blanc dominant wines.

THE WINE

The wine has complex aromas that hint at spice, straw, snow pea and subtle grassiness. The mouth feel is elegant and textural due to the partial oak treatment which softens the palate and adds a refined complexity. This wine shows its best with food and is well suited to complement oven-roasted chicken and vegetable style dishes.

4.5 stars, Winestate Magazine, November 2020

TECHNICAL SPECIFICATIONS

Alc: 12.5% pH: 3.33 TA: 6.3 g/L Cellaring: Up to 5 years
