## TASTING NOTES

### 2020 Singlefile Single Vineyard Denmark Family Reserve Chardonnay *Singlefile Vineyard Denmark, Great Southern*

#### VINEYARD & WINEMAKING

On our Singlefile estate vineyard in the Denmark sub-region of the Great Southern, we classify our chardonnay fruit and determine the ideal picking time to produce a cool- climate chardonnay with both power and finesse. Planted in 1989, the vineyard straddles the 35-degree latitude line and is 60 metres above sea level. The vineyard slopes north north-west in fertile well drained Karri loam soils with abundant micro fauna and flora. The vineyard is very slow ripening and tends to maintain its natural acidity while developing ripeness. The 2020 fruit, harvested by hand on 4th March, was chilled overnight, then whole bunch pressed and fermented in 40% new and 60% one year old French oak barriques from the Francois Freres, Seguin Moreau and Ermitage cooperages. The wine spent eight months in oak with partial (~10% malolactic fermentation to develop mouth feel), with lees stirring occurring at weekly intervals during the first five months.

#### THE WINE

This wine has aromas of intense grapefruit and white peach with a touch of orange blossom. The palate experiences a concentration of citrus and stone fruit with a touch of creamy nutty texture due to a partial malo-lactic fermentation. The wine is effortlessly mouth filling with a delicate balance of fruit and acidity and a long lingering finish. A wine of both power and finesse, it is well suited to rich poultry or creamy shellfish dishes with sautéed vegetables.

*New Release*

#### TECHNICAL SPECIFICATIONS

Alc: 13.4%    pH: 3.28    TA: 6.8 g/L    Cellaring: 15 to 20 years
