TASTING NOTES

2022 Singlefile Single Vineyard Frankland River Clément V *Riversdale Vineyard Frankland River, Great Southern*

VINEYARD & WINEMAKING

The Southern Rhône region of *Châteauneuf du Pape* is a significant wine region of the world and Singlefile's Clément V is our salute to the role this "Avignon Pope" played in establishing the viticulture and wine style of this region. This wine is a blend of the classic *Châteauneuf du Pape* varieties of grenache, syrah (Rhône clones 877 and 470 originally from Hermitage) and mataro (also known as mourvèdre).

All three of these varieties are grown in the Riversdale Vineyard, Frankland River. The 2022 fruit was picked on 13, 19 and 22 April 2022, with varietal batches kept separate throughout. The fruit was sorted and cold soaked separately in small fermenters for two days, before undergoing an extended and gentle maceration.

Approximately thirty percent of the wine was matured in new oak barriques, the balance going to two and three-year-old barriques for twelve months before the varietal blending, settling and preparation for bottling.

THE WINE

The 2022 vintage of the Clément V is mataro (54%), shiraz (41%) and grenache (5%). The wine has bright, perfumed aromatics of red berries, plum and spices with subtle savoury elements. The palate is plush, with a smoothly textured mouth feel, subtle savoury undertones and fine-grained chewy tannins. A medium bodied red wine that is suited to be enjoyed with food.

94 points, Barry Weinman, Fine Wine Club, Sept 2023

TECHNICAL SPECIFICATIONS

Alc: 14.2%

pH: 3.57

TA: 5.1 g/L

Cellaring: 15+ years
