TASTING NOTES

2015 Singlefile Great Southern Clément V

Great Southern, Western Australia

VINEYARD & WINEMAKING

The continental cool climate sub-region of Frankland River sits within the north-west corner of the Great Southern wine region (latitude 34°39'S).

This wine is a blend of the classic Rhone varieties of Shiraz (66%), Grenache (27%) and Mataró (7%) (also known as Mourvèdre). The fruit was picked over a few days in early April, sorted and cold soaked in small fermenters for ten days, before undergoing an extended and gentle maceration, the varietal batches kept separate throughout. Thirty percent of the wine was matured in new oak barriques, the balance went to one and two-year-old barriques for ten months.

The Southern Rhône is one of the giants on the global wine scene. Singlefile's Clément V is our salute to the role this "Avignon Pope" played in establishing the viticulture of this iconic region.

THE WINE

A medium bodied blend of Shiraz, Grenache and Mataró, this wine has bright, perfumed aromatics of red fruits and spice with a subtle savoury edge. The palate is plush, with a smoothly textured mouth feel with fine grained chewy tannins. Medium bodied and well suited to complement food.

~ New Release, previous vintage received 97 points, James Halliday ~
