TASTING NOTES

2020 Singlefile Single Vineyard Mount Barker Riesling *Blue Lake Vineyard Mount Barker, Great Southern*

VINEYARD & WINEMAKING

The Blue Lake vineyard is an established dry grown vineyard, the second oldest vineyard in the Great Southern, planted in 1971. It is situated on the south-west plains of the Mount Barker sub-region.

Mount Barker delivered excellent growing conditions, with winter and spring being reasonably dry and summer holding cooler temperatures. It was also the earliest vintage in many years with the Riesling grapes harvested on the 19th February.

The primary focus of the winemaking process was to preserve the delicate flavours and aromas of the vineyard's fruit which was handpicked to avoid macerations (phenolics) and whole bunch pressed for the same reason. The juice was cold settled and fermented with a neutral yeast strain at a temperature of 14°C before preparation for bottling in June 2020.

THE WINE

The colour is light and the aromatics display a combination of citrus flavours of lemon and lime. The palate is characterised by the acidic drive of the wine. A dry riesling, the wine displays intense lime flavours with subtle minerality (which will develop further with age). The wine has a long finish with a lingering acidity.

TECHNICAL SPECIFICATIONS

Alc: 11.9%

pH: 2.94

TA: 9.5 g/L

rs: 0.1 g/L

Cellaring: Up to 15 years
