TASTING NOTES

NV Singlefile Great Southern Sparkling *Great Southern, Western Australia*

VINEYARD & WINEMAKING

As a specialist Chardonnay producer we take the production of our sparkling wine very seriously. We focus acutely on crafting the most pristine, singular and expressive sparkling with a style and sophistication that reflects our pursuit of excellence. Our NV sparkling comprises 51% chardonnay and 49% pinot noir. The blend is from the Great Southern regions of Western Australia.

THE WINE

The wine has elegance and fullness on the palate with the crisp freshness of Granny Smith apples. Delicate aromas of honey and almond nougat reflect the months spent on lees in the bottle. Perfect with lemon drizzled oysters or scrambled eggs with crème fraîche and smoked salmon for a festive breakfast.

95 points, Wine Showcase Magazine, June 2021
