The Canberra International Riesling Challenge is not only Australia's largest single varietal wine shows, but also one of the most important annual events of its kind. Every year I look forward to welcoming Riesling producers from around the globe to Canberra for this prestigious event.

This year sees the return of the Canberra International Riesling Challenge to Canberra after two years of disruption due to the pandemic. And this means the Challenge can now finally celebrate a significant milestone – on behalf of the ACT Government, let me wish you a happy 21st.

It is great to see so many wine producers coming back and producing splendid wine for our enjoyment. The 2022 Challenge has received just over 400 entries from countries including Austria, France, Germany, New Zealand, the United States of America, as well as wines from Australia and our own Capital Region.

It's particularly encouraging to see strong representations from all Riesling regions within Australia, including the Canberra District with 24 entries across six classes. Thank you to all the winemakers who have entered in 2022. Your commitment to excellence is clearly demonstrated here today, and in the outstanding interest and reputation your Rieslings are generating around the world.

A good Riesling always has a story to tell. Like a message in a bottle, Riesling captures the spirit of its place and time. I am proud that it is here in Canberra that we get to taste these story tellers from across world.

I would like to congratulate this year's Canberra International Riesling Challenge winners and thank everyone who submitted an entry. Your participation is what continues to make the Canberra International Riesling Challenge a success. I would also like to thank the panel of judges who had the difficult task of judging this year's selection of Rieslings. Thank you all.

Again, congratulations to all this year's winners. I hope you enjoy your time in our nation's capital.

Yours sincerely

Andrew Barr MLA

Wolf Blass Foundation

The Barry Family, Jim Barry Wines

CANBERRA INTERNATIONAL RIESLING CHALLENGE

Canberra International Riesling Challenge – a brief history

The concept of the Riesling Challenge came from Ken Helm AM, a pioneer Canberra winemaker with a passion for Riesling. The idea of the Challenge was launched in 1999 at the Murrumbateman Cool Climate Wine Show. As the second biggest Riesling producer in the world next to Germany, and it seemed appropriate that Australia should promote the variety.

The concept was further developed by Ken, with the Hyatt Hotel Canberra (the major sponsor at the time) and a group of Canberra business people, including (the late) Jim Murphy AM, James Service AM, Paul Walshe OAM, and Emmanuel Notaras, together with the ACT Government.

Wolf Blass AM accepted an invitation to be the first Chairman of judges; he held that position for six years. He introduced the Wolf Blass Award, became a major sponsor, member of the Committee and is now the International Ambassador for the Canberra International Riesling Challenge. Ken Helm was elected Chairman and from that position guided development for nineteen years.

The inaugural event in October 2000 at the Hyatt Hotel Canberra attracted 137 entries from across Australia. The trophy for the Best Riesling went to McWilliams 1996 Eden Valley Rhine Riesling.

In 2002 entries were sought from New Zealand, and in 2003 the Wolf Blass Award was included to recognise a person or innovation that has made a major contribution to the development and promotion of Riesling.

In 2004 the German Ambassador, Dr Klaus Peter Klaiber, offered a Perpetual Trophy for the Best German Wine and organised a comparative tasting of 21 German wines. This provided an opportunity to promote the event as the *Canberra International Riesling Challenge*. Realising the international concept was made possible through the assistance Canberra's Diplomatic missions, which enables the entry wines from various countries to be sourced through the Ambassadors and High Commissioners. The Challenge has become an internationally-recognised wine event, and the largest event of its kind in the Southern Hemisphere.

2008 saw the introduction of judging on a regional level, a first in Australia for an international event. This approach showcases the individual characteristics unique to a wine's location in the world, the soil, the climate, aspect etc. Since 2012 judging has been undertaken against the 100-point judging system.

Seminars conducted by Charles Sturt University Wagga Wagga were introduced to promote better winemaking and appreciation of the many styles of Riesling. A Master Class has been conducted annually since 2012 to build knowledge and appreciation of Riesling within the wine industry and consumers through presentations and guided tastings of the world's best Rieslings.

Consumers have a unique opportunity to taste all of the entry wines at the conclusion of the judging, allowing them taste some of the best Rieslings in the world, many of which are not readily available in Australia.

2018 saw a new record entry with 567 Rieslings from 240 wineries across six countries and four continents. In that year a Provenance Class was introduced with entries comprising three vintages of the same wine/label produced from a single vineyard and winery, with 10 or more year's age range between the most recent and the oldest vintage. These wines compete for the Ken Helm AM Perpetual Trophy.

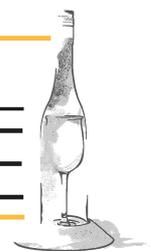

The Challenge has drawn judges from Germany, USA, France, England, and New Zealand and from winemakers, media and sommeliers from across Australia. In 2018 the Challenge welcomed for the first time a judge from China illustrating the growing interest in all things wine in Asia. Associate Judging positions which are offered annually to provide judging experience, are eagerly sought-after roles.

The COVID-19 pandemic forced the cancellation of the Challenge in 2020 and 2021 due to lockdowns, travel and logistical restrictions.

It is with great pride and pleasure that we are able to bring the Challenge back in 2022, attracting 408 entries from 180 wineries across six countries representing most of the major Riesling-producing regions of the world. This is a testament to the importance of the Canberra International Riesling Challenge as a showcase for this finest of all white wine varieties. With the return, we have moved from the traditional medal awards to a descriptor scale that allows the Challenge to better recognise and acknowledge the quality of the wines, provide better guidance for consumers and a marketing tool for producers. We welcome and greatly appreciate the sponsorship support of Toyota Material Handling.

The ongoing support of the ACT Government since the inception of the event has been a crucial factor in its success in promoting the Riesling wine styles, the Canberra Wine Industry and Canberra as a tourist destination to the world.

COMMENTS FROM CHAIRMAN OF JUDGES

The 2022 Canberra International Riesling Challenge remains the largest in the Southern Hemisphere. Our first challenge since C-19 forced a two-year break, but we're back and with 400+ entries this is still a serious competition that once again showcases many fine examples. This is an important competition for the producers and drinkers of this noble variety, they, and we have had the opportunity to understand how Riesling is performing against the backdrop of season, climate change and evolution of style. The judging team this year were excellent with some great wines highlighted. Producers, Winemakers, Sommeliers, Restaurateurs and Wine Retailers can look to the results and find opportunity.

Our judges come from different disciplines from within the wine, hospitality and retail sectors and with many local palates involved as well - the team for 2022 has been dynamic, experienced, serious, fun and interesting. We couldn't have done our job without the back-room team of stewards and organisers, thank-you.

Great Riesling can be beguiling with aromas, flavours and textures that resonate seamlessly with the palate. From its bone-dry steely mineral expressions to lusciously sweet and rich expressions, the variations are as wide as the geographical spread. There is a Riesling for all occasions and palates. Riesling is quite unlike any other. It is generally lighter in alcohol, refreshingly high in fruity natural acidity and has the ability to transmit the character of a place and time through its aroma package and is capable of ageing for many years in bottle if stored properly. Glass of Riesling? I hope you've just said 'yes'.

Riesling might be a bit tough on the tooth enamel after four days of judging, but we happily face the challenge for this noble variety. If you haven't yet engaged your vinous promiscuity with a Riesling, it's time to get tasting – the line-up of awarded wine from this competition should impress, beguile and continue to pique your curiosity about discovering fine wine.

With thanks to you all - my fellow judges, a great backroom and stewarding team and excellent organisation - I am humbled. Chairing the 2022 Riesling Challenge has been a privilege, a memorable, enlightening and rewarding experience.

Cameron J Douglas
Master Sommelier and Chairman of Judges
